This is my grandma and her best friend Joyce. They went to school together my grandma is 95 and Joyce is 96. Over 80 years of friendship.

They would meet every weekend for a cup of tea and a biscuit until my grandma got sick in March since then they haven't seen each other.

Well, today they were reunited. They hugged, kissed, cried, and told each other over and over again how much they missed each other. They sat like this for most of the visit. It truly was one of the most beautiful things I have ever seen. 😊
